

ST. MARY'S MONTESSORI *Anthem*

We are st. Mary's Montessori Kids
Who like so much to sing and dance;
We are like the flowers about to bloom,
We delight everyone when we prance.

The Montessori is like our loving Mother,
It looks after us with every loving care;//
When we grow up in wisdom and age,
We'll remember our Montessori in prayer.

A literate Society we'll endeavour to build,
Aided by Teachers, around whom we gather;//
May our Montessori be among the galaxy of Stars,
With the Grace of Mary our Loving Mother
